'TIS THE SEASON

PTF has lots going on this holiday season and would love to see OSLS families join in on the fun. You can participate in events such as the **Winter Book Fair, Sees Candy Fundraiser, and Textile Drive.** You can even donate shoes for the **Christmas Giving Tree.** If you are interested in helping out in any of the activities please contact Cindy Marangi at chmarangi@cox.net.

PTF Funds at Work!

Barnyard Bash was a huge success. Kids enjoyed carnival style games and a lot of cotton candy! For the first time we had The Skate Dogs come for our assembly. They entertained us with their cool 360's, kick flips, and jumps.

Did you know that the PTF sponsors the 5th Grade off campus PE programs? Last month they played tennis with some of the top instructors at Rancho San Clemente Tennis Club.

And, just in time for our San Clemente heat wave, PTF donated the funds for the installation of Air Conditioning units in all the classrooms.

Digital Library Update

Check out the Books!! The OSLS Digital library is free for all to use. With 75 new titles purchased this month we now have 242 titles to choose from. Seven of the titles are audio books, and many of the younger reader level books also have embedded audio. In the last two months 176 books have been checked out. Within the Overdrive system please feel free to request additional books you would like to see.
