Quarter 3 Report cards  
have been emailed

## Professional Growth

The Preschool teachers staff attended the annual CAEYC (California Association for the Education of Young Children) conference on April 2nd in Pasadena CA. This year's theme was: "Early Education: A Pathway to Lifelong Learning."

## History Day Champions

We are so proud of all our fifth graders and their National History Day (<http://nhd.org/>) projects. Five of our students competed at the County History Day in Costa Mesa on March 12, with 2D projects and Interviews. Congratulations to Dylan Johnson and Magnus Oxford who were awarded Champion medals and will compete at the Sate level in May. Maia Baird and Elle Sterner received Runner-up medals and Judges Choice award.

Ashton Peasley's project on Jimi Hendrix was amazing! Great job everyone and a huge thanks to Mrs. Klevit for teaching and preparing the students for this event!

## Spring Break

Our Savior's Lutheran School and school office will be closed April 4th-8th for Spring Break.

## PTF Free Dress Day

Pay \$10.00 to the school office or visit Renweb, under Resource Documents for the voucher for FREE DRESS on Friday, April 22nd.

## Educational Field Trips

Our 2nd graders will meet “Big Al” fish at the Dana Point Ocean Institute as he searches for friends. They will interact with interesting ocean creatures while conducting investigations in underwater adaptations, camouflage and different types of habitats.

Helena Modjeska House, also known as Arden, is a house designed by Stanford White in Modjeska Canyon. It is significant for being the only surviving home of Helena Modjeska, a Shakespearean actress and Polish patriot. In 1986, the Orange County Harbors, Beaches and Parks Authority purchased the 14.4 acre property and established it as a historical site. The third grade class will be visiting on April 15th.

The Fourth graders will be going on a two-day, overnight field trip... California Time Capsule. Beginning at the San Juan Capistrano Mission and continuing to the Lazy W Ranch, students will investigate the cultural eras of California history. Students step into the lives of Native Americans, Spanish, Mexican and Anglo people to learn about daily life, customs and cultural practices. The activities they will be engaged in include building a Native American shelter; making tortillas and candles; and panning for gold in a mountain stream.

The fifth grade class will be participating in the Catalina Marine Institute Marine Biology camp at Fox Landing, 4/25-4/27. They will enjoy snorkeling, kayaking, hiking and participating in hands-on science labs utilizing state of the art equipment.
