Meet the Masters

The elementary students will be studying the works of *Henri De Toulouse-Lautrec* (1864-1901) this month. Toulouse-Lautrec's masterful use of line in his colorful posters captured the Parisian life of the 1800's. His unusual life and friends were explored through his captivating artwork. The art activity will emphasize calligraphic and geometric lines using tempera and water.

PJ/s for Disaster

All students are encouraged to donate \$5.00 so that they can wear their pajama's on 5/18 or 5/19. All the money collected will be used to purchase items needed to complete Personal Care Kits which are sent to Lutheran World Relief, where they are distributed throughout the world as needed.

Preschool's annual Father's Day celebration, "**Donuts with Dad**" will be held on May 26th and 27th.

Preschool's annual Mother's Day celebration, "**Mother's Day Fiesta**" will be held on May 5th and May 6th. Moms will enjoy a Mexican Fiesta Lunch with their preschoolers.

MAP Testing

Measures of Academic Progress (MAP) is a computerized, adaptive test which helps teachers, parents and administrators improve learning for all students and make informed decisions to promote a child's academic growth. Second through Fifth grades will testing during the month of May. This test replaces the Stanford Achievement Test, that was previously used.

Accreditation

It is with sincere gratitude, humility and thankfulness that we are pleased to announce that the 2016 ELEA visiting team has recommended FULL ACCREDITATION to both Our Savior's Lutheran Preschool and Elementary! This 7 year process only affirms the outstanding education here at OSLS and further demonstrates to our community the wonderful work that is done here daily. We would like to thank Our Savior's Church community, our families who have chosen Our Savior's to be the foundation block in their children's premier education experience, and the committed team of educators and administrators who have made this possible!
